REMARKS

In the Advisory Action mailed July 20, 2005, the Examiner maintained the rejection of claims 17, 20, 22, 25 and 35-38. However, the remaining claims of the application are allowed. By this amendment, Applicants have canceled claims 17, 20, 22, 25 and 35-38. Thus, only allowed claims are still pending. Applicants have added new claims 39-42 dependent upon allowed independent claims 15 and 16 and request entry of such new claims. However, if such claims cannot be entered, Applicants request a phone call from the Examiner such that Applicants can cancel the new claims by Examiner's Amendment.
